

# Prayer to the Most Holy Christ of Mercy

Almighty God, Lord of heaven and earth, Eternal Father and Creator of all things, Son made man in the purest bowels of Mary by grace and work of the Holy Spirit; unique essence of the Holy Trinity: here you have gathered some of your children who want to love, serve and deserve you. We know that only faith in You can nullify our passions, amend our mistakes and neutralize their consequences, make the greatness of our souls compatible with the misery of our bodies and lead us on the safe path to Eternal Bliss. That is why we make a confession of that faith public, and we trust in your infinite Mercy. Do not abandon us, Lord! Inspire us the immense Love of your Divinity, preserve us in the service of your Church and give us the merits of your Glory, where you live and reign in unity of the Holy Spirit, God for all the centuries of the centuries. Amen.

## Prayers

For the anguish you suffered praying in the garden of Gethsemane, *Mercy, Lord!*

For the humiliations you endured in the Praetorium, *Mercy, Lord!*

For the lashes you suffered tied to the Column, *Mercy, Lord!*

For your crown of thorns, *Mercy, Lord!*

For the nails that pierced your feet and your hands, *Mercy, Lord!*

For the spear that opened your chest, *Mercy, Lord!*

For your Cross and your Calvary, *Mercy, Lord!*

## «Mercy, Lord»

Take pity on the pain,  
regret and abandonment  
of those at the foot of your throne  
they come to offer their love;  
of your incessant sorrows  
calm the bitter pain  
they offer you supplicants:  
for your bleeding wounds,  
Mercy, Lord!

# Prayer to Our Lady of Tears in her Helplessness

God save you, Mary, conceived without the stain of original sin; Daughter of the Father, Mother of the Son, Bride of the Holy Spirit, assumes body and soul to heaven. We, your children too and heirs of the glory promised by Jesus Christ, are here, before your tearful and helpless image, to consider your Sorrows, suffered in the Passion of your Divine Son to redeem us from sin and eternal death. Grant us, Lady, enough grace to be worthy of You and of Our Lord, by whose Mercy, helped by your powerful intercession, we hope to achieve eternal life in heaven. Amen.
